Thank you for taking the time to register using my new Class Portal. There are many benefits to this new system.

- 1) You do not need to worry about keeping track of the number of classes you have attended on your Class Pass. The system will keep track of this for you!
- 2) You can enter my classes using the Portal and do not have to search for an email with the Zoom link.
- 3) You will receive a class reminder email with the Zoom link one hour before the class begins.
- 4) You can register for a class right before it is scheduled to begin and you will immediately receive the Zoom link.
- 5) You can choose the option of having your Class Pass AUTO-RENEW. You may cancel this at any time.
- 6) You have a place where you can easily see all of my upcoming class days and times.
- 7) There is a Community feature which will allow you to connect with me and with your fellow students.

I am grateful for your continued support and participation! Thank you for your patience as we adapt to the new system. I promise it will make things easier, more professional and efficient!
