Deadline for all Forms and Costume fees is Saturday, January 11th

Dear Parents,

It's that time to begin preparations for our annual recital. Participation in this production is NOT MANDATORY! It is your choice to participate.

Tickets: Ticket pricing and link to purchase tickets will be sent out in April. Tickets will be assigned seating and purchased online only. Ticket sales pay for the rental of the auditorium and all the other expenses incurred in putting on the production.

Please note: The recital will be an all day event. Classes will be scheduled for a portion of that day to perform on stage. We will have about 5-6 shows scheduled in 1 hour increments. Each class will have their show time assigned where they will perform on stage with their family members watching in person in the theater for that show. Each class will be assigned to only one show time.

Dress rehearsal and Pictures will be done on June 3rd or 4th, 2025. The schedule for this will be handed out in April. Your class will be scheduled only for a portion of the day for one of these days (Either the 3rd or the 4th). The time schedule will be sent in April. Dress rehearsal and picture time frame is around 45 minutes. Dress rehearsal will be held at Oswego East High School so the dancers can practice on stage before the final event. Once they finish practicing on stage they will then take their pictures with the photographers.

Ticket ordering information, recital procedures and recital show schedule will be in the recital packet handed out in April. Final schedule and details will be sent out in April.

All Recital Fees and signed forms are due by Saturday, January 11th, 2025

This requirement is to avoid "late order" fees and guarantees us that all registered students are accounted for.

Beginning on January 13th, 2025 there will be a \$25.00 late fee added (per costume). All costume orders received after the due date will be filed as a separate order which incurs shipping costs. These costumes might arrive AFTER we receive our initial shipment.

In order to receive our costumes in time for the recital we must place the costume orders asap in January. If you do not hand in your forms and payments by the due date there is a chance of you not getting the costume for the recital if the classes costume is sold out after the initial order is placed. Because of this we ask that you make sure you hand in your payment by the 11th.

IMPORTANT! We also need to know who WILL NOT be participating in the recital as well

Other Services offered:

Videographer— A professional videographer will be taping all shows. When it is closer to the recital date, we will have forms at the studio and posted online. Videotaping with phones and other personal recording devices is not permitted during the performance.

Portraits— A professional photography company will be taking group and solo pictures at dress rehearsal. Details will be available when it is closer to the recital date sometime in April. You will be asked to fill out an online form that is on the recital page of our website.

Flowers— Flowers will be available to order for the Recital. Phillips Flowers does our recital bouquets. You will be able to preorder these flowers. Forms and online link is located on the Recital Page of our website. Orders are due by May.

Show Program AD—All parents are given a 1/6th size page ad to write a message to their child. This size is not big enough to accommodate a picture. If you want to purchase a bigger size AD to include a picture you can. AD submissions and payments are made through our Recital Page of our website. These are due by May.

Recital T-Shirt

All students that participate in the recital will receive a shirt. On the back of the shirt will be a list of the cast. Please make sure you circle the shirt size you want on the costume Form. The shirts will be handed out at recital in goodie bags when you pick up your child after the show.

Getting the Measurements:

Write all measurements in INCHES

- **Girth** – **Girth is the most important measurement when determining size!** To measure girth, place a tape measure at the top of the shoulder where a leotard strap sits, then down through the crotch and back to the same shoulder. Measuring tape should be close to the body but not tight.
- **Bust/Chest** – Measure over the fullest part of your chest with your arms relaxed at your sides.
- **Waist** – Measure around where your waist naturally indents. Keep your finger between the tape and your belly.
- **Hips** – Measure around the fullest part of the hips and buttocks while standing with your heels together.
- **Inseam** – Measure from the crotch to the bottom. The inseam length is the number of inches, to the nearest half-inch.
