**ANNUAL RECITAL**  
**JUNE 8TH**  
**SUNDAY**

**LOCATION:**  
**OSWEGO EAST HIGH SCHOOL**  
**1525 Harvey Rd**  
**OSWEGO, IL. 60543**

## Recital Details

The 2025 Xtreme Dance Center Recital will be held on June 8th, Sunday.

The location of the recital is **Oswego East High School, 1525 Harvey Rd, Oswego, IL.**

All recital classes will be given their show time block. Each block is 1:30 long with NO intermission. There will be 4 show time blocks ( 4 Shows ). Most of you will only perform in one time block. Your time block assignment will be in this packet. Your dancer will be dropped off 25 minutes before their time block starts. You will bring them to the drop off location and then find your seats in the theater. Dancers will be back stage for their whole time block and will be allowed to be picked up only when the show is finished for their time block.

### Show block times will be:

Block 1 = 10am to 11:30am

Block 2 = 12:30pm to 2:00pm

Block 3 = 3:00pm to 4:30pm

Block 4 = 5:30pm to 7:00pm

**For the Safety of all the participating children they must stay in their designated areas when coming on and off stage until the show time block is finished.**

**For safety reasons parents will not be able to pick up their dancer until all classes from that time block have performed.**

### In more than one class:

If your child is in more than one class we will work to schedule your child's classes in the same show time block. If we are unable to do that then their other class will be scheduled in the next time block.

### More than one child performing:

If you have siblings performing we cannot guarantee that they will be scheduled in the same time block. During intermission between time blocks you will switch out your dancers. Those performing will be dropped off in the drop off area for the show and those not performing in that time block can sit with the parents in the auditorium to watch their siblings dance. Tickets must be purchased for those watching in the audience.

**Those dancers who have siblings or are in multiple time blocks** we will be contacting you regarding tickets. You will receive a code to purchase tickets in the second time slot after you purchase the number of tickets you need for the first time slot. Because it is assigned seating we need you to purchase tickets in the first time slot and then we will give you the code for the tickets in your second time slot.

# **VERY IMPORTANT**

**Please make sure your child is attending classes regularly so your child feels comfortable with their dance. When recital comes they will feel more confident in their performance and less stressed about going on stage.**

## **DRESS REHEARSAL**

**Dress rehearsal and Pictures** will be done on June 3rd & 4th, 2025. The schedule for this will be in this packet on pages 4-5. This will be an event where your class will be scheduled only for a portion of the day. Dress rehearsal time frame is around 45 minutes to an hour. Dress rehearsal will be held at **Oswego East High School** so the dancers can practice on stage before the final event. Once they finish practicing on stage they will then take their pictures with the photographers. Some will start with the photographer.

## **TICKETS**

# DAY OF RECITAL

Sunday, June 8th

To make sure the recital runs smooth we ask that you follow the below rules and etiquette for the day of recital. These rules are in place so everyone can enjoy the performance and for the children's safety. Please come on time and ready. Please read **all** details below so you are aware of the processes for the day.

- \* Make sure your dancer is fed and has had plenty of sleep so they are ready for their performance.
- \* Do not let them eat in their costume or cover their costumes when eating.
- \* Put on Lipstick last after their costumes are on. It is ideal to put your other makeup (Blush / Mascara / Eyeshadow etc..) on before putting on their costumes. If you put your makeup on after their costume cover their costume so no makeup falls onto the costume.
- \* All Dancers/Parents should enter through **Door #2** (South side of the building)
- \* Do not forget to print off and bring recital tickets or have them on your phones to be scanned. Have them ready to show the staff at the doors. All seats are assigned seating.
- \* All Dancers should **come fully dressed** in their costume with hair and makeup done. Dancers cannot be dropped off unless they are completely ready.
- \* Dancers who are in more than one dance please be dressed in the costume of your first dance and then bring your other costumes in a bag labeled with your name with all accessories and shoes needed. The show order will be posted at the dress rehearsal and emailed out at a later time.
- \* **For the children's safety, all dancers will NOT be allowed to be picked up until everyone in their show block has performed. There are too many moving parts when the show is running. We cannot have parents interrupting the flow of the show or the safety of the students so we ask that you remain in your seats in the auditorium until your show block has finished performing.**
- \* **Please do not get up to leave if a dance is on stage as this is not proper theater etiquette. Respect the others around you as it might be their kid on stage they are trying to watch.**
- \* Label everything with your child's name.
- \* At the end of your show time block when it is time to **pick up your child**, parents are to line up at the drop off table and wait until the staff member begins the sign-out process for pickup.
- \* The children will be given their recital shirts in bags at the time of pickup.
