POLL PRECINCT REDUCTION-BOARD OF ELECTION

The following proposal was received from the Board of Election and Registration:
# APPLING COUNTY

**BOARD OF ELECTION AND REGISTRATION**

**MAY 2, 2017**

**NOTICE OF PROPOSAL TO CONSOLIDATE APPLING COUNTY VOTING PRECINCTS**

Pursuant to O.C.G.A. 21-2-262, the Appling County Board of Elections and Registration are proposing to consolidate all fourteen (14) voting precincts used on election day into five (5) central voting precincts.

<table>
<thead>
<tr>
<th>LOCATED AT</th>
<th>DISTRICT</th>
<th>ADDRESS OF POLL SITE</th>

</thead>
<tbody>
<tr>

<td>District 4</td>
<td>333 Blackshear Highway</td>
</tr>
<tr>
<td>Baxley City Gym</td>
<td>District 5</td>
<td>252 West Parker Street</td>
</tr>
</tbody>
</table>

The purpose of consolidating the current 14 voting precincts is to reduce voter confusion on election day by having only five polling places as well as to reduce the cost to tax payers by reducing election supplies, poll workers, cost of replacing election equipment and cost of upkeep of polling places.

With the implementation of voting by mail for 45 days prior to each federal and state election and early voting at the Appling County Elections Office for 3 weeks prior to each election, it is no longer necessary to maintain the 14 precincts in Appling County. Election Laws have changed that once required a voting precinct for each district.

The Appling County Board of Election and Registration will hold two hearings on this proposed change for the convenience of the voters of Appling County, Ga. The first hearing will be held June _____ at 5:30 PM in the Commissioners Meeting Room, 69 Tippins Street, Baxley, Ga. If you are unable to attend this hearing another hearing will be held June _____ at 5:00 PM at the Commissioners Meeting Room beside the Board of Election and Registration at 69 Tippins Street, Baxley, Ga.

Anyone wishing to object to this consolidation shall do so in writing stating the reason for such objection and may file such objections with the Appling County Elections Supervisor, Donna H Carter, 69 Tippins Street Suite 205, Baxley, Ga 31513. Such filing must be received no later than June _____ at 4:30 PM.

For questions, you may contact Donna H Carter, Elections Supervisor at (912) 367-8113 or (912) 367-5376.

After some discussion on this issue, the Board was in agreement to allow for the public hearings to be held in June for the proposed changes for the consolidation of the voting precincts to allow for the public’s input.

Health Insurance Renewal:

The Health Insurance Renewal (HRA) provides a way for Appling County to save money in premiums and limit the portion of the out-of-pocket costs for employees.

1. The HRA is funded by Appling County and will pay $2,500 for individual coverages, and $5,000 for family coverages after the employee's responsibility (deductibles, co-pays, and co-insurance) have been met.

2. The HRA is paid 80% of the out-of-pocket costs. Appling County is required to pay 100% of the HRA (benefit) expenses.
A motion was made by Commissioner Edwards and seconded by Commissioner Rentz to approve implementing an HMO option for the employees with family coverage. Motion carried unanimously.

OLD BUSINESS
TARA LAKE DAM UPDATE

County Manager Lee Lewis reported that he and County Road Project Manager Hayden Rozier had met with the contractor and engineer on the Tara Lake dam project on ways to value engineer this project. This project is expected to cost approximately $1.7 million after finding $100,000 savings by value engineering this project.

County Manager Lee Lewis informed the Board that he had thought about the possibility of rebidding this project but it would be hard to find another contractor to do the project due to state Safe Dam Regulations. Mr. Lewis also added that most of the contractors that do this type of work are located above Macon.

The Board gave County Manager Lee Lewis permission to proceed with the Tara Lake Dam Project. This project is estimated to begin in the fall and should take approximately nine months to complete.
