1878 Our history dates back to 1878 when »Hammermühle«, a factory for forged tools like hammers, pliers and screwdrivers, was founded. In 1950 the company moved to Neustadt (Hesse) and was renamed as Felo. Driven by innovative power, quality consciousness and enthusiasm the company became one of the leading screwdriver manufacturers in the world.

40 Felo is traditionally strong in exports. Almost 100 years ago we began using multi-language catalogues. Early on we adapted our assortment and marketing to very different markets and requirements. Now Felo is a global player and specialist, exporting to more than 40 countries in the world.

260 Our quest for a better tool has always been the driving force behind Felo and has made innovation a constant feature of our product range. Trend setting ideas like 2-component handles for screwdrivers, Titanium coated bits and exchangeable blade screwdrivers for electricians, all originated from Felo ideas. 260 applications for industrial property rights document our innovative power!

2000 More than 2000 different stocked Felo items are at the daily disposal of our customers. On top of this we manufacture the same number of products in customized versions, as special tools and under private brand. Our customers will always find the right solution for their needs at Felo.

1 Mission keeps us together – we want to inspire our customers. Felo is a leader in innovation and quality and we want to stay in the lead, supplying our customers the best quality tools with the most advanced features. This will remain our challenge and outlook.

Ergonic, the first handle that adapts to the users hand!

smooth, seamless handle for maximum comfort

hand and handle interlock, causing less strain

Fits all!
Serie 400 *Ergonic*® (pat.)
 U.S. Patent No 7,877,843

stronger, adaptable, truly ergonomic

hexagon bolsters available on series 410

blades manufactured from chrome-molybdenum-vanadium steel

superior torque which exceeds DIN and ISO requirements by up to 100%

EAN code on every product

black tip for precision fit

anti-roll handle design

hanging hole for easy storage or inserting lever

screw symbols on handle cap

full length, impact proof handle core

There are numerous ergonomic handle designs: It is always the user's hand that has to adjust to the handle. **ERGONIC** is the only handle adjusting to the individual hand!

The new standard in ergonomics, torque transmission and responsiveness!

ERGONIC®

The impact proof handle core is coated with elastic, scratch resistant elastomer containing cells of highly flexible plastics.

The handle fits perfectly into the hand at all times. Hand and handle interlock, causing less strain and work fatigue, allowing higher maximum torque! Responsiveness of material results in enhanced sensitivity and perfect control of torque.

The strongest of series 500 Serie 550

steelcap / full length blade
hexagon bolster / hexagon blade

hexagon bolster

anti-roll
handle design

hexagon blades manufactured from
chrome-molybdenum-vanadium steel

superior torque
which exceeds DIN
and ISO requirements
by up to 100%

EAN code
on every product

full length blade

slimmer!**

ERGONIC® (pat.)
U.S. Patent No 7,877,843
Eslim

Ergonic, the first handle that adapts to the user's hand!

Each item individually tested with 10.000 Volts.

AC 1000V
IEC 60900 : 2012

screw symbols on handle cap

↑ **Extra long handle**

↓ **anti-roll handle design**

blades manufactured from chrome-molybdenum-vanadium steel

→ **Insulation
up to 50%
slimmer!**

black tip for precision fit

The uniquely shaped E-Slim handle is 30% slimmer and 20% longer and ideally suited for a perfect balance of controlled torque application, reach and safety distance in crowded work-spaces.

Developed with electricians!

All screwdrivers are certified according DIN EN 60900 requiring that each individual blade is tested with 10,000 Volts to guarantee safe for work at up to 1,000 Volts.

E-Slim screwdrivers were developed in cooperation with electricians for electricians. The E-Slim insulation is up to 50% slimmer than on conventional VDE screwdriver, putting countersunk screws into reach.

12 interchangeable IEC screwdriver blades with 2-component handle in sturdy smart box

every screwdriver individually tested to 10.000 Volts, fully conforming to IEC 60900

AC 1000V
IEC 60900 : 2012

secure fit of blades, quick-release button on handle against unwanted extraction

Esmart (pat.)

12 IEC interchangeable blades can be easily combined with a 2-component handle. An automatic locking keeps the blade safe in the handle and prevents unintentional pull out. For more safety!

The original compact smart tool for electricians.

E-SMART doesn't make any compromises. All screwdrivers are certified and every single blade is fully tested with 10,000 volts. For safe work at up to 1,000 volts.

With the attachable precision cap the 12 interchangeable blades can be also used as a fine tool for the precise application of force on especially sensitive devices.

coloured ring indicating torque range

easy adjustment of torque

Torque screwdrivers with precise adjustment

Serie Nm (pat.)

ergonomically refined design

blades manufactured from chrome-molybdenum-vanadium steel

superior torque which exceeds DIN and ISO requirements by up to 100%

Precise release – indicated by acoustic and mechanic signals

black tip for precision fit

exchangeable blades for greatest flexibility in all areas of use

adjusted torque

loosening torque

**Extremely strong ratcheting mechanism with super fine toothing:
885 lb/in (100 Nm) 72 teeth, 5° ratcheting angle**

**Sockets safely locked
and easily released by push-button**

**Handle permanently connected
to ratchet by injection molding**

R-GO

**1/4" tool sets with ERGONIC ratchet:
perfectly reliable quality – without compromises.**

U.S. Patent No 7,877,843

**Patented ERGONIC handle with
cushion effect:
the ultimate of comfort!**

**Each component available
individually**

**Practice oriented assortments
stored in robust StrongBox**

**Long lasting premium quality
in every detail:
Lifetime guarantee
on every component**

R-GO 1/4" tool boxes contain carefully chosen and thought-out assortments of precisely machined and durable bits, sockets, adaptors and extensions for a wide variety of uses, even with power tools.

R-GO ratchet and all other handles are equipped with the patented **ERGONIC technology. They adapt to the user's hand and provide exceptional work comfort.**

The extremely strong ratcheting mechanism withstand forces up to 100 Nm and features a superfine toothing with 72 teeth and only 5° ratcheting angle.

2 component handle with pleasant soft grip material for highest torque

screwdriver and T-handle in one

Professional quality & great versatility

felo smart

ergonomically refined design

replaces 48 single tools

blades made from high-quality bit-steels, exceeding the DIN/ISO requirements by up to 100%

anti-roll handle design

fitting the complete 1/4" range

black tip for precision fit

A complete 48-piece tool set in one box! Every blade precisely machined and perfectly hardened, conveniently arranged and easy to pick.

SMART is a unique interchangeable blade system with a 2 component swivel handle, which can be used as a screwdriver and T-handle in one.

A new, improved design allows one-handed operations: no removal of the blade necessary for the change between screwdriver and T-handle applications!

4 Impact

with unique absorption cascade for best protection and longest lifetime at the toughest loads!

4 Impact

- S-M-L absorption cascade for a wide torque range (e.g. PH1 – PH3).
- Synchronized torsion-zones are sequentially triggered at increasing torque impulses and absorb torque peaks.
- Additional 4th absorption step when used with Felo Impact bits.
- Specially developed to be used with tangential impact drivers.
- With bit retaining ring.

- selected high performance steels • optimized geometry • customized production

TORSION The high performance bit • absorbs torque peaks • substantially extends tool life • reduces contact pressure

Hard screw joint

Problem:

The sudden torque peak occurring when the screw head hits the surface of the work piece can damage screw and bit.

Solution:

Felo TORSION bits absorb torque peaks and effectively prevent damage.

Soft screw joint

e.g. fastening screws into wood, with torque steadily increasing along the way.

Extra advantage:

Especially wear-resistant profiles increase life span of the bits.

Felo Star automatic-holder is a unique power-tool accessory, providing decisive advantages to the industrial user.

- secure hold of screw
- automatic adjustment to depth of screw head
- genuine one-hand operation
- quick and easy replacement of bits
- compact size

Making work safer, faster and more efficient!

finely-serrated jaws
providing firm grip

induction-hardened cutting edge,
60 / 64 HRC

precise joint for optimum leverage

optimum long-lasting
corrosion protection
from special matte
chromium surface

Outstanding cutting
performance and
highest precision

Professional quality for heavy duty use Pliers

Slip-stop wings for secure grip

ergonomically refined design
for maximum comfort

Red/yellow model indi-
dually tested up to
1000V, VDE IEC 60900

superior hardness
which exceeds DIN
and ISO requirements
by up to 100%

Socket SystemClip
with safety lanyard

drop-forged
from special steel

2-component
handle technology

GS tested for safety

EAN code
on every product

Quality of Workmanship
and materials guaranteed

Electrician's pliers with multifunctional features for accurate and efficient work at the highest safety standards.

›felo pliers: Innovation, refined design and exceptional durability.

The best pliers German engineering and craftsmanship have produced. Fulfilling the strictest quality requirements.

Gripping & cutting: tough work is the ultimate test for perfect tools.

Terms of Delivery and Payment

Number 1 IN CUSTOMER SERVICE!

Here's why:

- **NO MINIMUM ORDERS. NO STOCKING REQUIREMENTS.**

- NO DROP SHIP FEES**

- We don't believe in minimum order quantities or stocking requirements.

- Buy what you want, when you want it! As a Bondhus® distributor,

- you are never forced to stock our products in your inventory –
minimizing your overhead costs.

- **NO HASSLE RETURNS**

- We want you to be satisfied with every aspect of doing business with Felo and Bondhus. Too much stock of a particular item? Simply call us at 800-328-8310 for a Returned Goods Authorization (RGA) and send it back freight prepaid for a full credit to your account. Bondhus never charges a restocking fee on items in our standard product line!

- **LIFETIME WARRANTY**

- All Felo products are guaranteed for life. If you or your customer are not happy with a Felo tool – for any reason – simply return it. A replacement will be shipped right out at no cost – no questions asked!

- **HIGHLY TRAINED. EXPERIENCED IN-HOUSE CUSTOMER SERVICE DEPARTMENT**

- Bondhus' in-house Customer Service staff is made up of highly-trained professionals with an average of 16 years experience in the hex tool industry. Always willing to answer your questions or address any ordering / shipping issues, they can be reached weekdays, 7 am to 5 pm CST, at 800-328-8310 or via email at cservice@bondhus.com
