BONDHUS
LIFETIME WARRANTY
If any Bondhus® tool breaks or fails to meet your expectations in any way, simply return it. We will replace it free of charge.

High Torque Steel:

Up to 20% stronger, with more torque and twice the wear resistance of standard grades of steel.

FINISH OPTIONS:

Corrosion-resistant finish:

Environmentally safe, provides better tool grip, resists solvents and is 5 times more corrosion resistant than competitor finishes.

Next generation chrome finish:

Traditional plated tool look with superior protection and durability.

Real 14 karat gold finish:

Superior protection and durability over traditional chrome and the look and shine of real gold.

Color-coded protective finish:

Durable color-coded finish for superior protection and easy tool identification.

Bondhus Ball End tools feature unrivaled precision machining

All Bondhus Ball End tools feature a precise 25° working angle

25° working angle allows tool to work in hard to reach places (20° working angle on BallStar™ Tip tools)
