

## Extend tool reach with Bondhus' exclusive Hextender

- Allows blades to be coupled with Hex or TORX® tools
- Extra length can be achieved using multiple Hextender / Blade combinations
- ProGuard™ finish delivers superior corrosion protection

Hextender attaches blades to tools

### FINISH OPTIONS:

**ProGuard**  
DRY SURFACE TECHNOLOGY **DST** Corrosion-resistant finish:  
Environmentally safe, provides better tool grip, resists solvents and is 5 times more corrosion resistant than competitor finishes.

## Hard Working Tools

Bondhus is committed to making the best tools on the market. Bondhus is constantly working to improve our tools. We are never satisfied with "good enough." We work hard to make sure your new Bondhus Hextender is always the best tool for the job.

Every Bondhus tool is designed and machined to achieve an optimal fit between tool and fastener. Tools insert quickly and easily into screw head and fit snug to generate greater torque and minimize slippage and stripping.

Bondhus custom heat-treating produces tools that are highly resistant to breakage and shattering.
