Bondhus Introduces Focused Line of Impact Bits

Bondhus Corporation, through its' German marketing partner - **Felo**, introduces a focused line of high quality impact bits. These bits are specifically designed and manufactured to resist damage when used with impact drivers and will last up to five times longer than standard impact bits. **Felo** Impact Bits are machined from the highest quality steel that is intended specifically for Impact Bits. The bits are available in attractive retail-friendly two-packs, in a wide variety of tip types, and in 1" and 2" lengths.

Felo is a world leader in the development and manufacture of high quality tools. These **Felo** products can be ordered from Bondhus distributors all across the USA. For a listing of stocking distributors near you, visit the Bondhus website at www.bondhus.com.

Bondhus Corporation manufactures and distributes high quality, time-saving tools for use in electronics, automotive, DIY, retail, hobby and machine tool industries.
