Bondhus Introduces New Miniature Hex Key Sets

BONDHUS is pleased to announce the addition of miniature hex key sets to its' full line of Hex and Ball End tools. These new sets are available in handy locking cases in both inch (.028"-5/64") and metric (.71mm-2mm) versions.

All our Hex and Ball End tools are made from Bondhus' exclusive Protanium® steel, which makes them up to 20% stronger than competitors' tools. All Bondhus Hex and Ball End tools carry a life-time warranty and feature Bondhus' proprietary ProGuard™ finish, which offers five times more corrosion protection when compared to competitor finishes. In addition to these miniature sets, a full range of inch and metric Hex and Ball End tools are available.

Bondhus Corporation manufactures and distributes innovative, high quality, timesaving tools for use in industrial, electronics, automotive, hobby and machine tool industries.

For more information on other innovative tools, visit our web site at
