We limit Special Edition E Blasts to one per week. Depending upon Chamber Emails scheduled for the week, your first choice of day of the week to have your message sent may not be available. We will NOT send a Special Edition E Blast on a Tuesday, as the Chamber's E Blast is sent that day. WE will confirm if the date you have selected is available.

We will send you a "sample" of a previous ad so you can see the layout space. This ad is just for you – so you can design the ad however you like. If sending a logo, please send in EPS or JPEG format. All ads will be seen in full color as you send them to us.
