Applying to Leadership Denison

Understanding Leadership Denison

Being part of the Leadership Denison program is a big commitment – but a commitment that reaps great benefits. Before you start applying to Leadership Denison, please be sure you have a deep understanding of the process, commitment, and expectations for the program.

Class Dates and Participation

Sessions are held September through May with a graduation and recognition event held in May.

Attending the retreat/ropes course, in its entirety, is mandatory if you are selected to participate in the program. At the retreat/ropes course, class members receive an overview of class requirements, begin leadership development and get to know their classmates. Selection

The Leadership Denison Selection Committee reviews every completed application packet. They seek to identify those who are most likely to utilize their leadership abilities for the long-term benefit of our area. The committee seeks diversity in the class makeup (age, ethnicity, gender, and socioeconomic factors are all considered). In August of each year, the next Leadership Denison class will be announced.

It is an honor to be invited to participate in Leadership Denison. With so many qualified candidates from which to choose, the selection of each year's class presents a difficult challenge. Candidates who are not chosen are encouraged to apply again.
