We have been using sustainable farming practices to produce high-quality plants and vegetables for 50 years. We grow over 50 different crops, including sweet corn for the MN State Fair. We specialize in small fruit and vegetable production, all harvested by hand. Tomatoes, green beans, zucchini, strawberries, a variety of melons and so much more. We also grow a variety of bedding plants, combination baskets and planters for our garden centers in the spring. We change with the seasons and produce pumpkins, squash, mums, and other fall décor items. We also offer a 17-week Community Supported Agriculture (CSA) program that allows members to receive a variety of fresh produce throughout the MN growing season. Visit Untiedts.com to find the location nearest you!

LISTING AVAILABLE AT FBMN.ORG/FARM-FRESH

This listing does not constitute endorsement by the Minnesota Farm Bureau Federation, nor are we responsible for any claims made within the grower listing.
Locations are approximate and indicative of how many farms in each county. Please see listing addresses for exact locations.

**AITKIN COUNTY**

CROW WING COUNTY

FORT RIPLEY
Rustic Acres Greenhouse
5321 28th St
(218) 821-5589
Email: cmallord17@gmail.com
Facebook: rusticacresgreenhouse
Buy your locally grown annual bedding flowers and vegetable plants at our family-owned greenhouse. Open May 1-23, Thursday thru Saturday from 9 am to 6 pm and Sunday from 10 am to 3 pm. As the garden grows, we sell fresh vegetables from the farm. Call us for your order of bushel tomatoes for canning. We have many veggies: peppers, cucumbers and more. Sweet corn for sale when in season. Like and follow our Facebook page for updates on the greenhouse, and the vegetables that we will have for sale. In 2020 we sold out in three weekends so come early for best selection.

FARMINGTON
Brand Farms
18605 Biscayne Ave W
(651) 206-9457
Email: brandfarms@gmail.com
brandfarmsmn.com
Facebook: Brand Farms MN

Eggs and honey are available year-round and apples and apple-related products are available when in season. Give us a call and check out our Facebook page for pictures and more information.

Little Acres Livestock
22795 Annette Ave
(651) 460-3297
Email: littleacreslivestock@yahoo.com
Our small family farm prides itself on bringing you the best lamb and pork you've ever tasted. Every customer we've had has returned with rave reviews, ensuring that you'll get a product that's second-to-none. If you want lamb or pork, we're the place to go. Call for availability.

Smith Farms
4628 235th St W
(651) 463-8045
Email: gdsmith@frontiernet.net
We sell alfalfa/grass hay in either small square or round bales. We also have elk products available including, meat, horns, velvet antler pills, snack sticks and jerky.

WELCH
Jones Farms
20880 Ravenna Trail
(651) 283-4405
Email: knowwhatyouareeating@gmail.com
Know what you are eating, know where your beef comes from. We sell USDA inspected lean ground beef. We do not use antibiotics or hormones as it is important for us to market top quality products. We grade whole beef for ground beef, not just the trim meat. We also sell quarters, halves and whole beef, half pigs, roasting pigs, in season fresh canning sweet corn, cage free large brown eggs and canning tomatoes by the bushel. Garden produce, round bales of hay and straw. Go direct from the farm to your freezer or table. We have been in this same location since 1965. Call for an appointment, and ask for Carol.

DODGE COUNTY

FARMINGTON
Wagner Farms
205 First Ave NW
(218) 398-3846
Email: mmmeats@kmtel.com
Facebook: Wagner Meats LLC
Instagram: Wagner Meats
We raise breeds of pigs and cattle known for exceptional muscle quality. Our livestock are provided indoor-outdoor access with bedding and given dedicated care to create the superior flavors your family will enjoy. Contact us or find us at the year-round Rochester Farmers Market where we have a variety of retail cuts and snack products processed locally at an independently owned USDA daily inspected facility.

Farm Fresh FACT
To make one pound of honey, the bees in the colony must visit 2 million flowers, fly over 55,000 miles and will be the lifetime work of approximately 768 bees.
