CALLING ALL RURAL ENTREPRENEURS

LEAP CONFERENCE

FARM BUREAU MARKET

January 29, 2022

Do you direct market products from your farm, create hand crafted items or provide agriculture services to others?

Connect with other Farm Bureau members while promoting how you help support your farm and family. The Farm Bureau Market will allow Farm Bureau members attending the LEAP Conference to find out more about what others are doing and inspire them to be creative with their income sources.
