2019-20 FFA Discussion Meet Questions

1. The Customer is always right. How can Farm Bureau and FFA think and respond, through the lens of the consumer priorities and marketing trends, to build common values and confidence in modern production methods to build consumer confidence.

2. Agriculture always seems to be under attack by the media. What are ways Farm Bureau and FFA can prepare and equip students to respond to the negativity that occurs on all levels of media. (social and traditional)

3. Agriculture is an ever-changing industry. What are some of the best ways FFA and Farm Bureau can work towards preparing students for an occupation in the Ag industry?
