

BEESWAX WRAPS 101

- WHAT** Cloth covered with bees wax to use as a food cover or wrap
- WHY** A natural, reusable, washable alternative to single use plastics 😊
Reusable for about a year
- HOW** Wrap pieces of cheese, fruit, veggies, or bread
Cover dishes of food
- Warmth of your hands softens the wax, makes it tacky enough to help form a seal
- Clean by rinsing with cool or minimally warm water, with or without a little mild soap. Hang or lay to air dry.
