**Notice: Separate permits are required for plumbing, heating, fireplace installation, electrical work and installation of a septic system. The permit will become null and void if work or construction authorized is not commenced within 180 days after its issuance or if the work authorized by the permit is suspended or abandoned for a period of 180 days after the time work is commenced.**

I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provision of any other State or Local law regulating construction or the performance of construction. This building permit may be suspended or revoked if the permit has been issued in error or on the basis of incorrect information supplied or in violation of any ordinance or regulation of the City of Rockville. All permit fees and other costs to review the application that are incurred by the City for professional consultants, will be paid prior to issuance of the Building Permit.
