Reduce downtime with a fast and efficient refueling system.**

FUEL TANK CAPACITY
990 GALLONS

SERVICE MAX

DON'T LET AN EMPTY FUEL
TANK SLOW YOU DOWN

ALL-IN-ONE SERVICE TRAILER

The Meridian Service MAX is a field service trailer which is equipped with a 3 in 2 welder/generator air compressor with welding leads, retractable 25' air/electrical hose reel, and a heavy duty tool box ensures that you have what you need when it matters most.

MORE EFFICIENT REFUELLING

The Meridian MAX, Ultra MAX and Service MAX edition Fuel Trailers are equipped with 6.5 hp. gas engine/40 gallon/minute fuel pump that get you back in the field faster than ever before. Includes a 50' X 1" Retractable diesel reel and auto nozzle which eliminate tangled hoses and make refueling quick and easy. These models come completely equipped with either 55 gallon or 110 gallon DEF(Diesel Exhaust Fluid) systems which includes a 12V/10 gpm pump & 25' retractable 3/4" hose reel.

A man with white hair and sunglasses stands in front of a large green fuel trailer. The trailer has "MAX Edition" and the number "99" on its side. The background shows a field of crops under a blue sky with some clouds.

Very pleased with my
MERIDIAN FUEL TRAILER.
It is **WELL-BUILT** and I
like the **CAPACITY** and
enclosed DEF system. ”
