

MTN MAY 2018 NEWSLETTER

Safety:

RENEW NOW!

- It is yours (the driver's) responsibility to keep a current DOT physical card. There are quite a few that will expire during the summer months, so please make sure that you are keeping track of when yours is coming due.
- The state will send a 60 day notice that your physical card needs to be updated.
- Scott in safety can make you an appointment to renew if needed.
- Also, when you renew your driver's license, you need to bring in the updated copy to MTN so that we can keep for your file. This is *your* RESPONSIBILITY.
- As the weather gets warmer be sure to watch for motorcyclists, bicyclists, joggers, pedestrians/children.
- If you get a moving violation during the summer, you must notify MTN within 10 (ten) days of the incident.
- Drive safely – and have a great summer!

May 13.

✓ Memorial Day is Monday,
May 28. MTN will be
CLOSED on this day.

Spring Cleaning

➤ Above & Beyond:

When Elizabeth Herrmann found out that she was to be awarded School Bus Driver of the Year through Athlos Leadership Academy (VFW), she was shocked to say the least.

"I had no idea – It was a great surprise," she said. "My route can be tough, but it's truly rewarding."

Elizabeth's commitment and compassion were noticed by school administrators.

"Elizabeth knows each student by first and last name and has even taken the time to learn a little bit about each of their family lives. She rules her bus with a strong fist, but loving heart," said Kelleah Brzozowski, transportation coordinator at Athlos.

We encourage all other drivers to do the same. A little effort can go a long way.

Thank you for your leadership, Elizabeth!

- ✓ Properly discard all confidential materials, such as route copies. **DO NOT** leave these in company vehicles!
- ✓ Prior to the end of the school year, make sure your MTN vehicle is washed/cleaned. This includes sweeping and any other duties as assigned by your supervisor.
- ✓ **DO NOT** leave your MTN vehicle a mess. It is your responsibility to ensure that it's in stable condition for the fall.
- ✓ Make sure all windows are closed.
- ✓ Bring any concerns to your immediate supervisor.
