## Our Suppliers

**TQ Industries – Tecni-Quip Carts and Clean Cycle Lint Filters**  
[www.tqind.com](http://www.tqind.com) and [www.cleancyclesystems.com](http://www.cleancyclesystems.com)

TQ has more than 50 years of experience in cart manufacturing expertise for health care facilities, hotels, commercial laundries and industrial applications. The TQ sales team of Cart Specialists each have over a decade of experience in the sales and manufacturing of TECNI-QUIP products. This knowledge allows TQ to deliver personal services to past customers and provide new customers with superior consultation, design, ideas and parts. The Clean Cycle division manufactures laundry lint filters. Lint filters come in air free and larger blowdown models. All manufacturing is done at our factory located in the San Antonio/Austin, Texas area. TQ Industries is a family-owned & managed business shipping TQ products internationally. All products are made in the U.S.A.

**MSRP is a good BUDGET estimate of final washer or dryer price after discount allowed, freight and delivery added back in. Your price could be less!**

**In these times of unprecedented inflation we try to keep prices updated but please call for latest pricing**

## Service Tips By Ed

### Servicing Chicago Finishing Equipment, Feeders, Ironers, Folders:

**Lubrication:** Lubrication of chains is very important to help protect the chains from wear, rusting and stretching. Be sure to clean up any excess grease as it attracts lint and soil.

**Wearing of Mechanical Parts:** Have a program to regularly inspect chains, pulleys, and sprockets for wear. Replace as needed to keep equipment operating at its best.

**Ribbons:** When replacing bad ribbons do not replace one or two at a time. Ribbons stretch so you must replace the full set or they will not ride properly. When replacing ribbons, be sure your hands are clean, so you don't transfer grease or oil onto the ribbons - grease will transfer onto the linens.

**Sensors:** Inspect the sensors on the ironers, feeders and folders for alignment, cleanliness, wear and proper operation. Sensors "see" the linen as it passes so they must be kept clean and in proper operation and orientation or linens will not feed, iron, fold or stack properly.

CHICAGO DRYER COMPANY

## Parts Ideas From Barb

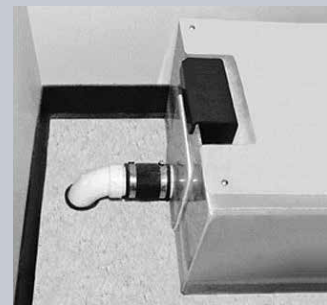

Jingle Jingle I hear Kris Kringle  
Ho ho ho – Santa's on the go  
With Donner - Blitzen and all the other boys. I have come to town with much more than just toys.  
"What's that you say?" said the jolly old elf. "Of course, I brought you the parts for your shelf.  
Through this December," he said with a twinkle in his eye.  
"Here's 20% off parts – some exceptions do apply.  
Merry Christmas to all, I wish I could stay." As he picked up his sack and boarded his sleigh.  
Have a Happy New Year from all of us to all of you. We'll honor this discount through January 2022.

## Laundromat Ideas

Nobody likes a smelly laundromat. Drain troughs that have stagnant water can give off unpleasant odors. If your trough is not sealed and vented, odors can be noticeable. There is an easy solution: Add a few ounces of Pariser Parazyme to the trough.

The active enzymes will eliminate most odors. Ask your sales rep John Sullivan or James Riopel or call Chris 800-328-5689! Custom sealed vented troughs from MCC also help.

### A Most Unusual Installation

## Piragis Northwoods Company

Ely, MN

Looking for an authentic, unique vacation experience? Piragis Northwoods Company has been helping guests experience the beauty and solitude of the Boundary Waters Canoe area for over 40 years. In addition to complete outfitting and guiding to Quetico and Boundary Waters, Piragis sells canoes, everything you could possibly need for any outdoor activity and it has a great bookstore. And Piragis does winter rentals too – snowshoes, skis, sleds and can provide camping gear and guided trips. Call or email today for summer 2022 - <https://www.piragis.com/> (800) 223-6565.

Piragis washes tents and sleeping bags all summer long. To leave valuable indoor space for their canoes, paddles and camping gear they installed their Huebsch 50# natural gas tumbler outside on the porch.

Tim Barton, General Manager with Huebsch 50# tumbler.
