MCC Happenings

Covering North Dakota

John SANDRETTO, Minnesota Chemical supply sales and Mike Baker President and Equipment Sales travelled to North Dakota to see customers recently. They spent time at laundries at NDSU Fargo, home of the Bison. They visited many customers in six cities to make recommendations on laundry chemicals, spotting supplies, carts, shelving and washers and dryers. Sometimes they just talked about efficiencies in operation based on their years in the industry.

Let us know if John or Mike can help you!

MCC Sales Meeting:

Last month members of the MCC sales team gathered at the beautiful Walker Art Museum in Minneapolis to share ideas and strategies to increase sales and serve our customers better. We had a full day of presentations from Milnor, Sankosha, ECOLAB, Streets-Adco-Laidlaw and Mod Roto. During our lunch break we toured the recently renovated Sculpture Gardens at the museum. Next time you are in Minneapolis, stop by the Sculpture Gardens for a FREE and interesting experience.

MCC Service Seminars

MCC's recent FREE Service Seminars in Menomonee Falls, WI and Shoreview, MN were well attended by coin laundry and on premise laundry customers. Good discussions were lead by our

manufacturers, Alliance/Huebsch, VendRite, Card Concepts, Huebsch Finance and Milnor along with our MCC service manager and technicians.
