

OUR CUSTOMERS

LifeCare Medical Center Roseau

LifeCare Roseau is a regional medical center and healthcare facility. LifeCare was recently recognized as a Top 100 Critical Access facility in the USA. Situated in NW MN in

Roseau, LifeCare is a modern, well run organization with 50 nursing care beds and 25 hospital beds. A new helicopter and helipad was added two years ago to better serve the area. All laundry is processed on premises by an experienced staff. Laundry Lead Heidi Vacura has been at LifeCare for 10 years, Leanne Berger has been with LifeCare 33 years and Mable Mahan has 4 years experience. The laundry uses Milnor washer extractors and Huebsch tumble dryers.

From Left Mable, Heidi and Leanne.

Does Your Laundry Need a Workhorse?

Optional integrated load chute door for automated washer-extractor systems. 275 lb., 400-500 lb. and 600-700 lb. capacities available.

Our M-Series Washer-Extractors are built for optimum performance and easy service access. The simple design with single pivot two-way tilt and large door provide safe, fast and efficient loading and unloading. The open access allows for easy and simplified maintenance. Milnor's unique and innovative SmoothCoil™ Suspension System means maintenance-free, superior vibration dampening with less wear and tear. Our intelligent bearing design provides three water seals and an excluder seal mounted on an easy-to-replace seal sleeve, along with a leak-off cavity to keep water and chemistry away from bearings. All of this and more, built to Milnor's legendary ruggedness and durability.

Coin Store Owners:

We can use some help in coin laundry equipment sales and/or service in our 5 states... even PT. Do you have time?

Call Dan Baker 414-708-5242. We want to talk.

Service Tips By Ed

Washer Preventative Maintenance

It is very important to properly maintain your washers, not only to prevent breakdowns but also to keep energy costs to a minimum. On 40# and 60# Milnor washers with oil bath bearings, the oil should be changed every 3 months. Some of the newer 40# and 60# Milnor washers have sealed bearing so there is no need to change oil in these machines. Most Huebsch washers also have sealed bearings. Larger Milnor washers and some Huebsch washers have zerk fittings and should be greased every month. As you are servicing your washers, you should check for a water in the oil or in the leak off tube which would indicate a bad seal. That means water is getting into your bearing housing, call for service. Please check belts for wear, and drain valves and water valves for leaks. If your water valves don't shut off or drain valves leak and do not hold water they should be fixed or replaced. This is where your costs are going down the drain. If you would like a service contract we can provide scheduled service on your laundry equipment. Call us at The Minnesota Chemical Company 651-288-4857 and talk to me, Ed.

Parts Ideas From Barb

* Ask Barb for a free MCC Koozie with your next parts order.

We offer current parts for a variety of vendors:

Pellerin Milnor	Columbia Ipura	Fulton boiler

Call us and see if we can help you find what you need.

Dry Cleaners and Health Care Laundries:

100% American Made Galvanized Hanger

Consistent Quality

Consistent hooks and neck twists reduce jam ups and runs smoothly through your system.

No paint chips

Nothing to chip off and injure the hands of workers. No exposure to rust.

Chrome Look

Your garments will show better and enhance your customer's image of quality.

Environmentally Friendly

The zinc coating and the wire are completely safe and recyclable.

No Rust

Our safe and long lasting galvanized finish eliminates stains and damage to garments.

Longer Life

Strict manufacturing tolerances, along with the higher tensile strength of our wire, combine to make a stronger and more durable hanger.

Shirt, Suit and Strut styles available from our stock.

ALL THE FEATURES YOU NEED FOR THE BEST HANGER SOLUTION
