POOL-SINGLES

1. Singles A, B, and C will race to 4 on winners side, 3 on losers side. Top Dog Singles: "AA" = Race to 4, "AA+" + Race to 5. "M" Race to 6. Race Remains the Same on Both Sides. A coin toss will determine the break in the first game. Loser breaks thereafter.
2. An 8-ball on the break will be played as defined in the VNEA rule book under International competition. A game cannot be won or lost by an 8-ball on the break.
3. Rack your own rack.
4. Scratching on the 8-ball is NOT a loss, unless you scratch and make the 8 ball.

POOL-SCOTCH DOUBLES

1. A coin toss will determine the opening break. The loser breaks thereafter.
2. The Upper division will be a race to 4 on the winners' side and race to 3 on loser; the Lower division will be a race to 3 on both sides.
3. An 8-ball on the break will be played as defined in the VNEA rule book under International competition. A game cannot be won or lost by an 8-ball on the break.
4. Alternate shot rule: At the start of each match, teams will decide on their shooting order. Players must remain in this order until the entire match is over. It is both teams' responsibility to see that the players stay in their proper order.
5. No coaching is allowed. Each team will be allowed one 20 second time-out per game.

POOL-TEAM

1. Format will be double elimination, handicapped. Matches will consist of a maximum of 25 games. Total points determine the winner. Once it's mathematically impossible for an opponent to catch up on total points the match is over. Handicap points will be recorded on your score sheet and brackets.
2. Upon Entry Deadline Date, the median team handicap will be found and used to assign teams to an Upper & Lower Bracket. After all teams have been assigned to the Upper & Lower brackets based on Handicap, both upper and lower brackets will be split in half again based on their own unique median team handicap totals, forming four separate brackets (Upper A, Upper B, Lower A, Lower B). Teams will play within their respective brackets until two teams from each bracket advance to an 8-team finals bracket. The finals bracket will be played out until a tournament champion is crowned.
3. Teams may consist of any combination of five players, handicap will be assigned per the following:

M = 0	AA+ = 5	AA = 5
A = 10	B = 15	C = 20

4. Coin toss will decide home team. Home team will write their line-up first and the break is determined by score sheet.
5. Rotation of players is allowed in this tournament. The following criteria must be followed for the substitution to be legal:
 - A) All substitutes must be listed on your score sheet at the start of the match. (Regardless of whether or not they play a game in that match.)
 - B) Notify your opposing team captain before the start of the round when a substitution is being made.
 - C) A substitute player is not allowed to play an opposing player more than once.
6. If a player makes an 8-ball on the break and does not scratch, the breaker has the option to either re-rack and break again or spot the 8-ball and continue shooting from where the 8-ball lies. If the breaker scratches, the choice to re-rack or spot goes to the incoming player.
7. In the case of a tie, teams will shoot the LAST ROUND over using the same players in the same order.
8. All teams should be available and ready to play 20 minutes prior to scheduled time.

Tournament staff may determine that teams start on 3 or more tables if necessary due to time constraints.

This tournament has ZERO tolerance for any UNSPORTSMANLIKE CONDUCT and reserves the right to reject players or teams

Midwest Coin Tournament Employees have final say in all decisions.
