I have your league set up to play on Thursday nights, due to only having 2 boards it will be up to the 2 players to figure out a day & time to play. All matches must be played by Thursday so that the stats can go out on Friday (I will be doing the first set of stats on October 19th, handicaps will also go on that day regardless if you have played or not). I will only be doing the stats once a week. You may play matches in advance if you are going to be gone the week you are scheduled to play. **ALL** matches must be played by December 27th.
