

RED MARKET SALON

HAIR TREATMENTS AND
SERVICES COLLECTION

Haute couture is an exotic language—
the ultimate expression of creativity
and craftsmanship.

This is why the stylish are devout to

RED MARKET MIAMI

Inspired by the high-end streets in Paris
where fashion is cultivated,
our house of glam is the place human artistry
is redefined to shatter boundaries.

Because all you need is the
hands of a talented stylist, versed in French technique,
a shared passion for all things hair,
and a touch of daring sophistication.

*Complimentary consultations for cut and color services
are recommended to discuss your haircare goals.*

PRIMING AND PREVENTATIVE TREATMENTS

Enhance your haircare and protect hair fibers with solutions that clarify, fortify, and revive before color services or to maintain vibrancy.

Kératase® Decalcifying Treatment

Addresses breakage, dullness, and stiffness.

Dissolves calcium to restore hair's natural balance. Ideal for thin, damaged hair.

Olaplex Treatment

Repairs and strengthens hair with the in-salon concentrate Olaplex lovers call 'liquid gold'. Ideal for blondes.

Kérastase® Fusio-Dose™ Instant Hair Treatment

Nourishes dry hair, repairs damage, restores radiance to color-treated hair, and re-densifies mature hair. Tailored for specific concerns.

Kérastase® K Water

Delivers glass-like shine and smoothness with lightweight results—perfect for flawless blow dries. For all hair types.

SMOOTHING TREATMENTS

Counteract frizz with formulas that shield hair from humidity, ensuring a sleek, polished look.

Pro-Addiction Treatment

Straightens, reduces frizz, and enhances texture with a formaldehyde-free formulation. Suitable for all hair types with results lasting up to six months.

Brazilian Blowout

Envelops the hair shaft with a protective layer to eliminate frizz, smooth strands, and enhance shine. Results last up to three months.

Keratin Smoothing Treatment

Tames, smooths, and shines frizzy hair with one of six formulations. Results last up to three months.

Keratin Complex® Blowout

Infuses natural Keratin in the shortest amount of time to eliminate frizz; lasts up to six weeks.

REPARATIVE AND STRENGTHENING TREATMENTS

Reinforce strands, mend split ends, and minimize breakage for healthy hair.

Brazilian Reconstructing Protein Treatment

Adds essential amino acids and protein to repair damaged hair from the inside out.

Hair Botox “Filler” Treatment

Coats hair with collagen to “fill” broken or thin areas to appear fuller and lustrous. Ideal for fine hair.

K18 Molecular Repair

Reverses hair damage and prevent future breakage with a clinically proven treatment that works on the molecular level. Ideal for damaged hair.

Metal Detox

Protects hair fibers from metal deposits pre- and/or post-color, balayage, lightening, or as a standalone service. For all hair types.

Twist and Turn Curling Treatment

Enhances curls, restores moisture, and offers frizz-free, healthy-looking curly hair.

COLOR SERVICES

Experiment with color and achieve your hair's true potential.

Single Process

Applies a single color to the roots in one step for seamless, even coverage.

INOA Single Process

Refreshes roots with an ammonia-free formula, ideal for sensitive scalps.

Single Process and Signature Balayage

Employs a single base shade complemented by bespoke highlights.

Signature Balayage

Uses freehand techniques to delicately highlight hair.

Partial Balayage

Frames facial features with soft, sun-kissed top-layer highlights.

Foilyage

Enriches color with Balayage's subtle strokes and the vibrant intensity of foils.

Full Foil Highlights/Babylights

Enhances hair with foiled sections of color and natural hues for rich, layered tones.

Partial Foil Highlights

Illuminates your crown with highlights, using foil to brighten the top layer of your hair.

Single Process and Face Frame Highlights

Brightens your base and refresh roots with a touch-up and Balayage face-framing highlights.

Color Correction

Restores a balanced, vibrant shade to rectify and enhance your hair color.

Gloss/Toner

Adds shine and richness to the hair while achieving the perfect hue.

EXTENSIONS

Transform your hair with added length, volume and dimension.

Keratin Tips / 25 Tips per Bundle / 3-6 hours

Involves attaching individual strands of hair extensions bonded to natural hair using Keratin adhesive. Lasts 3-5 months with proper homecare.

Tape In / 10 Pieces per Bundle / 1-3 hours

Involves applying adhesive tape extensions to natural hair to lengthen and increase volume. Lasts 6-8 weeks before next service.

Re-tape Service

Replaces or repositions tape-in hair extensions to maintain their secure attachment and optimal appearance.

Deposit for hair purchase required. Hair arrives within 24 hours, except on holidays. At-home care recommendations included. Maintenance services should be scheduled every 6-8 weeks for tape-in service only.
