Promote your Business with Chamber Advertising Opportunities

One of the top reasons businesses join the Chamber is to network and promote their goods and services. To help our members economically market to other members, we are now offering exclusive print and email advertising opportunities to our members.

WEEKLY ENEWS UPDATE

Place an ad in the Seymour Chamber of Commerce Weekly eNewsletter and reach 500+ local business people. A side bar square ad and banner ad are available each week. The square ad placement is at the top of the left side column. The banner ad is placed approximately mid-page in the news feed. Ads can be purchased by the week. Link your ad to your website, an email address, online Chamber business directory listing or a landing page you specify.
