## **COMPANY TRAINING LEVELS**

**NEW:** Ballet level placement will be determined on Tuesday, September 4th through a class evaluation process. This evaluation class will place your dancer in the appropriate Ballet training level for the season. This assigned training level may or may not coincide with our other styles of dance. Dancers will be placed in levels by demonstrating how much understanding they have acquired with Ballet technique and the implementation of that work with their body thus far. Ballet Director Rachel, with Kaitlyn, Jessica and Julie will be conducting this evaluation class. Day/time for evaluation:
