

Discipline Game

A card game designed to be used with parents to facilitate discussion about various discipline tools. The discipline tools are divided into three categories: 1) Prevention/Nurturance Tools 2) Guidance/Teaching Tools and 3) Consequence Tools. The 'Full Version' is a deck of 43 cards with discipline tools on the front and an example on the back. The 'Condensed Version' is a set with six sets of six different discipline tools with examples on the back. This version was designed to be used with groups that require an interpreter. Too many cards was overwhelming. The 'Spanish version' has 43 cards in Spanish.
