Parents, siblings and guests are always welcome to observe classes from the lobby. Siblings are not permitted to participate in class activities unless they are enrolled in that class.

Responsibilities
We make every reasonable effort to ensure the safety of children in the gym and while they are in the lobby. Parents or guardians are ultimately responsible for seeing the safe entry and exit of their children.

Behavioural issues
If a child is being disruptive, destructive, or dangerous to themselves, other children, or staff members during class or special events, we will make every effort to work with parents and the child in question to resolve this behaviour. If the behaviour persists or other undesired behaviours develop, the child in question will be asked to take a break from the class or event.

OFSTED approved camps
Our holiday camps are OFSTED registered and parents are required to complete the appropriate paperwork prior to the camp. Please see our OFSTED policies in the gym.
