

# Membership at The Little Gym Hampton and Teddington

We run an inclusive gymnastics and child development programme at The Little Gym Hampton and Teddington, for babies from 4 months to children aged 12 years. You are welcome to join our programme at any time during the year.

## INFORMATION AND FAQ's:

### HOW DO I SIGN UP?

Your child is welcome to enrol at any time during our season which runs in line with the academic year, from September to July. We offer an easy monthly payment plan, details below

### HOW MANY CLASSES DO I SIGN UP TO?

You sign up and enrol in to 1 class and attend that same class every week for as long as it suits your schedule. You are able to move classes easily, when your child is ready to move up to the next age/ability class or when your schedule changes. (You are also able to cancel ad-hoc classes when you are unable to attend- see cancellation/make-up service below) You may enrol in more than one class per week and many parents choose to enrol in a gymnastics class and a tumbling class or attend the same class twice per week. There's a discount for second class enrolments - see below

### HOW OFTEN DO I ATTEND?

There are 38 weeks of term time classes and an additional 6 weeks where we operate a holiday schedule giving a total of 44 weeks in the season. The season ends at the end of the school year in July. We recommend you attend as often as possible.

Holiday Class Schedule operates in October half term, January (just after Christmas), February half term, Easter holidays and May half term. We continue to run classes at the weekend and parent/child classes in the week, plus a full schedule of holiday camps.

### CAN I COME TO ANY MORE CLASSES DURING THE WEEK?

Yes! In addition to your scheduled weekly classes, members under 3 years are invited to attend as many **TUMBLE & TEA CLUB** sessions as you like every week. These are complimentary sessions in our gym with a qualified instructor to give you and your child the opportunity to practice some of the skills learnt in the class and explore the gym freely with lots of problem solving opportunities and ample time to socialise. We always make sure there is a warm cup of tea/coffee on hand too! Guest speakers visit often for discussions on child-development related issues and we offer additional experiences such as sensory integration sessions and mum-fitness sessions in our multi purpose room. Tumble & Tea Clubs run throughout term time.

**GOT A SPARE DAY?** If your child is a member of our parent/child program and you would like to attend an **EXTRA DROP IN CLASS** during school term time, then call or email the gym on the week of the class and if we have space we will allow you attend the class at no extra cost.

As mentioned, parent and child programme members may also attend as many **DROP-IN CLASSES** as you can fit in during the school holiday breaks in October, January, February, April and May, when we run Holiday camps for ages 3yrs+. Members of the rest of our program are welcome to book into holiday classes.

Pre-school and Primary school members are invited to attend as many **PRACTICE TIME SESSIONS** as you can during the school holiday weeks

During the holidays, we run half day and full day **OFSTED REGISTERED CAMPS** and members receive a discount on these.

### WHAT HAPPENS IF WE CAN NO LONGER ATTEND?

Once you are enrolled with us, we consider you part of our family until you tell us you want to leave.

We are proud that over 85% of our members remain part of our family year after year, but there are many reasons why families may have to leave, including moving house, new job etc.

We ask that you commit to us for a minimum of 3 months - you are free to leave any time during the year.

All we require is 4 weeks notice, in writing. Drop us an email.

Hopefully, we've answered all your questions and you feel confident to get started. Please don't hesitate to ask any one of our team if there's something else on your mind. Our members are the best people to talk to and our sociable and friendly lounges give all our members opportunity to chat and share stories. We take your child's development very seriously and pride ourselves on making a difference in every class, every day. If you haven't booked an introductory class with us then we strongly recommend you do so, or visit during one of our Open House events. There really is no substitute for experiencing our The Little Gym.

We look forward to getting to know you and your family this season.
