Class Observation

Responsibilities

Your child's participation in our gymnastic classes explicitly implies that he or she is healthy and that no contraindications exist for participation. We make every reasonable effort to ensure the safety of children in the gym and while they are in the lobby. Parents or guardians are ultimately responsible for seeing the safe entry and exit of their children. The Little Gym Wilanów doesn't hold responsibility in the event that an injury or accident occurs during participation in its classes. Each participant in class is obliged to adhere to our staff's instructions in regards to behavioural aspects and in particular to the manner in which exercises should be performed.

Behavioural Issues

If a child is being disruptive, destructive, or dangerous to themselves, other children, or staff members during class or special events, we will make every effort to work with parents and the child in question to resolve this behaviour. If the behaviour persists or other undesired behaviours develop, the child in question will be asked to take a break from the class or event.
