

## **Santa's Elf Holiday Grab Bags!**

### **Here's How it Works...**

These (2) Grab Bags are wish lists for functional training equipment and Pilates/Restorative mats and the total cost to purchase & ship the items in the two Grab Bags is \$2500 for each bag.

If members contribute \$1250 toward i.e. *Functional Training Grab Bag* – T2BB will match \$1250 and all the items on the wish list will be had for all! If members contribute \$800 toward i.e. *Pilates/Yoga Grab Bag* – T2BB will match \$800 and we will order less mats!!!

If we do not meet the \$1250 for either bag – T2BB will match whatever contribution total and we will amend either list in order of priority!

*Thank you for even thinking about contributing!*
