VAIL COMMUNITIES
CULTIVATING HOPE FOR MENTAL HEALTH & WELLBEING

June 2026

Shouting in Gratitude!

Words can't express our gratitude enough. Vail Communities is extremely excited to share this news with you: **our RamCo and Uptown Clubhouses will remain open!**

Through a deeply transformational and generous financial gift from an extraordinary donor, Corey Sauer, combined with the recent notification that DHS will provide bridge funding through the end of 2026, Vail will be able to continue providing life-changing services to our RamCo and Uptown communities.

We are profoundly thankful to Corey, whose compassion, insight, and heart have made this possible. We are also grateful for our continued partnership with DHS and their commitment to ensuring continuity of care and support for Vail's most vulnerable community members. From the bottom of our hearts, THANK YOU!

While this news brings much joy and relief, we also recognize the importance of continuing to build long-term sustainability for our Clubhouses and the future of mental health recovery services in the Twin Cities. To every donor, advocate, member, staff, and community partner who stood by us during this difficult time: thank you. Your voices, encouragement, and support continually remind us that our mission and work matter deeply to so many people. **Thank You!**

A Reflection on Community

This past year has shown us--and the broader Twin Cities--how important the power of community truly is. When we come together, nothing is impossible.

"The greatness of a community is most accurately measured by the compassion of its members." -Coretta Scott King

Clubhouse Giving Day Recap

This year's Clubhouse Giving Day was one to remember! Not only did we raise over \$20,000 to support our Clubhouses - we were the top fundraiser with the most donors across all participating Clubhouses! Thank you to everyone who gave, shared about our work, and supported Vail through generous giving. Our work is only possible because of you!
