THE MIRACULOUS & MIGHTY GARAGE CLEAN-OUT

Mindy here just to say how **HAPPY** it makes me to have a clean and organized garage!! Before the clean out, it was a frightful obstacle course we had to climb through like Tom Cruise in Mission Impossible, which means we couldn't access all of our gardening and grill out gear + fun and games.

De-cluttering, organizing, and clearing space is a beautiful thing and we'll keep it going at the Uptown Club through the summer to prepare for our early fall garage sale 😊

Congratulations
Heather and
Maverick!

Today I am very grateful for the help of Fern, our spring intern. They worked diligently on my resume with me and helped me get a new career in my field. I am happy to report that I am in the processes of onboarding and things look good now. I look forward to my first day. They really spent a lot of time crafting the resume and encouraged me to write cover letter with the attached resume.

In my view it was less is more. Concise and succinct and helpful.
