

Leadership Washington County

Thank you for your interest in the Leadership Washington County program. The Washington County Chamber of Commerce and local employers invest in LWC to ensure that there continue to be prepared leaders for our community. By recognizing the need for educated leaders, we are all committed to the future...which starts now! Please take time to seriously consider your participation in the class. It does require a commitment, but the time spent during the program will be a benefit to you and to our community. You will find full details about the program in this application. If you would like any further information, please contact the Chamber at (979) 836-3695 or info@BrenhamTexas.com, or visit www.BrenhamTexas.com.

Leadership Washington County is a prestigious program committed to educating, training and motivating existing and emerging local leaders to build more effective skills for the future benefit of Washington County.

Program Goals:

- ◆ To educate, train and provide experiences that enhance leadership skills.
- ◆ To provide opportunities for participants to develop lasting relationships among community leaders.
- ◆ To provide greater awareness of community issues and opportunities to serve locally.
- ◆ To provide greater access to community resources and networking.
- ◆ To motivate participants to help make a difference in our community by becoming actively involved.

The 2018-19 LWC program begins in August with a brief orientation meeting. Day-long sessions will be held monthly from August 2018–May 2019 as shown on the attached calendar.

The selection process involves approximately 25 participants chosen from an outstanding pool of rising leaders who apply for the program, representing the diversity of our area. Multiple participants from the same organization may apply, but it is one of the factors considered in the selection process to include as many organizations as possible.

Policies:

- ◆ LWC is designed to be an in-depth experience and requires attendance at each session for you to receive the full impact. The orientation is extremely important and the first two sessions are mandatory. Recognizing that conflicts may arise, a maximum of two absences from other sessions is permissible. More than two days of absence from other sessions will result in self-termination from the program, with the tuition being non-refundable.
- ◆ Each participant should be a Chamber member, or representative of a member organization, and have the support and approval from his/her employer to participate in all sessions.
- ◆ Investment for the ten-month program is \$750 (\$650 with membership tier discount) which can be paid by the individual or the employer. This fee covers all program expenses including materials, hand-outs, a custom shirt, logo portfolio, and any special travel arrangements that may be required.
- ◆ Each participant should be motivated to play an active and energetic role in each session.

As a rising leader, you will:

- ◆ Learn more about the key issues, challenges and opportunities in our community and region.
- ◆ Develop relationships with other influential leaders and civic officials in Washington County.
- ◆ Discover how to make a difference in the future of this community.
- ◆ Develop and enhance your leadership skills.

Applications for the program are being accepted now through July 13, 2018. Return the attached form by mail, email or in person to the Chamber office (no faxes, please). Participants will be selected confidentially by an anonymous selection committee and will be notified of their acceptance by July 31, 2018. Tuition will be due prior to the August Leadership Communication session.

Leadership Washington County
