

Annie Rouse is co-founder of [Anavii Market](#), an online market for premium verified CBD and other hemp products. In 2017 she founded [Nature's Hemp Oil](#), a CBD branded product line which she offers on Anavii Market and within retail stores. Annie has been at the forefront of the hemp industry for the past 10 years, earning a US Fulbright Scholarship to study hemp in Canada and recently publishing her podcast series, [Anslinger: The untold cannabis conspiracy](#) - an

interview-narration style podcast highlighting Big Pharma's role in cannabis prohibition analyzed from 10 years of archival research.

Annie is founder of the non-profit, [Friends of Hemp](#) and sits on the Hemp Feed Coalition Steering Committee. She also serves as a board member of the Hemp Industries Association and is an advisor for Greenman Gardens. She is a published author in Hemp Magazine and Hemp Business Journal. She is an experienced public speaker with presentations given at DEFCON, Natural Products Expo West, Hemp Industries Association Conference, NoCo Hemp Expo, National Cannabis Festival, Alberta Biomaterial Development Centre, University of Kentucky, and the winner of various business plan pitch competitions, among other public speaking engagements. She received her BS in Economics from the University of Kentucky and holds a Masters in International Environmental Policy and an MBA. You can learn more about Annie and her journey on her blog, [Think Hempy Thoughts](#).
