

Daniela is a Crystal Therapist, Reiki Master, Medium and Crystal/Tarot reader. She`s been a Holistic practitioner for 14 years. She`s also a qualified secondary school teacher and has a passion for helping others finding their own path through their own Soul development and has an unwavering Faith in the Spirit world and the Universe.

She created “New Crystal Generation” because she believes that the new generation, the young people have a special connection to their intuitive side and hold a strong connection to the vibrations of Crystal energies, hence she made Crystal workshops also available to the under `18.

She has experience coaching Spiritual development both in person and online to help clients find their own Soul Path, strengthen the connection to the Spirit world and Guides, as well as work with their own sixth sense.

Meditation, sound and crystals have also been a huge part of her coaching.

She offers:

- Crystal workshops for both adults and the under `18
- Group and 121 Meditation and Healing sessions in the Crystal Clear Salt Cave.
- Mediumship and readings to all that seek Life guidance, comfort and support from the Spirit world.
